

DEPARTMENT OF THE ARMY
OFFICE OF THE ASSISTANT CHIEF OF STAFF FOR INTELLIGENCE
WASHINGTON, D.C. 20310

NOTE FOR: LTG TIGHE

Reference my 3 October memo discussing the GRILL FLAME Steering Committee, Dr. LaBerge agreed that the principals should meet soon. My office was asked to coordinate. The agenda should be kept reasonably short, addressing only basic issues. Specific topics you wish to discuss will be incorporated into a final list prior to meeting. Details can be worked out between staff points of contact. (OACSI POC, MAJ Stoner, x55048.)
